Dear Joe,

On behalf of the staff and volunteers of Free the Kids and, most especially, the children we are privileged to serve - I would like to extend my heartfelt thanks for your generous shipment of a container filled with oatmeal, sugar, flour, rice, powdered milk and hospital linen.

Since 1998, Free the Kids, through Pwojè Espwa Sud, has provided for the most basic needs of thousands of orphaned and vulnerable Haitian children who have sought our help. In addition, we have helped hundreds of indigent families in South West Haiti in their quest to independent living through a variety of outreach support services. Your support means that we can continue to be there for those in need who seek our help.

It is indeed a privilege to partner with you give hope to so many of our Haitian neighbors.

Sincerely,

Jack Reynolds
Executive Director
